to .com**

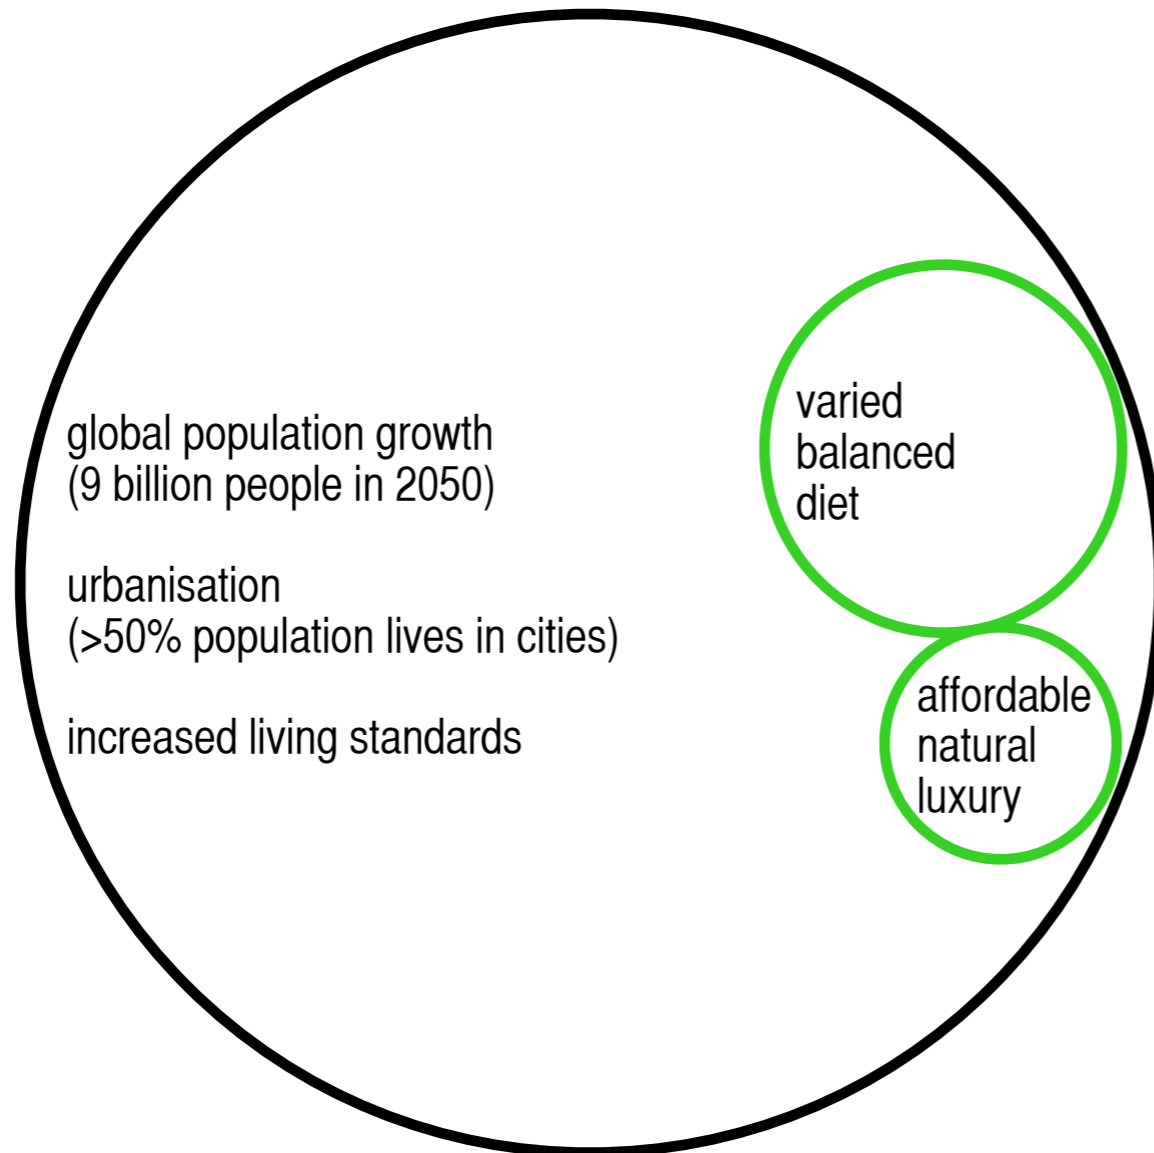

the  
beauty  
of  
xxx

## feeding the world xxx onside

xxx may have  
an obvious presence all over the world  
in glass greenhouse horticulture  
which provide food for healthy diets

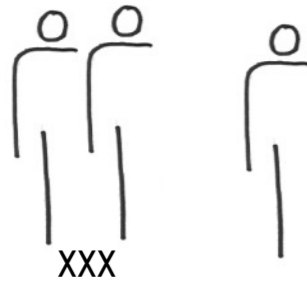

**a global perspective  
developments**

**a strong need  
for  
large scale  
high-tech  
horticulture**

**building  
the global  
xxx space**

**the necessary  
circumstances  
for the space**

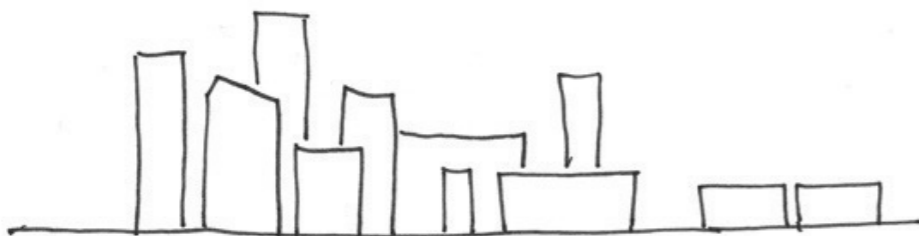

**market proposition  
+  
license to operate  
distribution & service network**

a viable proposition for  
the specific market  
the means to sell  
and service the customers

**horticultural entrepreneurs  
+  
suppliers**

a critical mass of entrepreneurs  
a substantial horticultural area  
an infrastructure to service  
advanced horticulture

**urban concentrations  
+  
developed society**

a gdp /middle class treshhold  
reliable legal system  
developed markets and logistics
